

SIERRA MADRE NEWS

PUBLISHED WEEKLY

SIERRA MADRE, LOS ANGELES COUNTY, CALIFORNIA, FRIDAY, APRIL 27, 1917

VOL. XI, NO. 30

VOLUNTEERS GOING FROM SIERRA MADRE

Sierra Madre is already well represented among the volunteers in various branches of the army and navy. John Boyd, Jr., left Monday for San Francisco, having enlisted for the aviation corps.

Charles W. Schwartz has been accepted for the Officer's Training Camp at the Presidio, San Francisco. George Norris has made similar application.

Charles Downs has enlisted in the Coast Artillery Company at Monrovia.

Jim Barnes has enlisted with the Seventh Regiment of the National Guard and is now at Santa Anita camp.

In the Navy Norman Jensen who has been on leave was recalled to service some time ago. Don Baxter is also in active service and it is reported that Paul Littell has also enlisted.

Mature Men Needed

Urgent appeals are being made for more mature men for the officer's training camp. Only about 350 out of the desired 3,000 have enrolled. The average age of these is only 26 years. Men of thirty years and over who have executive ability or are accustomed to handling men are greatly desired. Early enlistment increases the chance of a good commission and early promotion.

Application may be made at Military Training Camp Headquarters, 749 South Spring St., Los Angeles.

MRS ARTHUR JOHNSON SR. CALLED TO REWARD

End Comes After Long Illness As Result of Stroke Of Paralysis

Funeral services for the late Mrs. Arthur Johnson Sr., who passed away on April 20, were held at the chapel of Allen T. Gay Monday afternoon. The services were conducted by Rev. Dr. Geo. H. Cornell of the Church of the Ascension. A wonderful profusion of flowers attested the love and esteem of the many friends who had known and loved Mrs. Johnson during her life. Interment was at the Sierra Madre cemetery.

Born in the village of Geneseo, N. Y., Dec. 10, 1848, there Martha Wilson passed her girlhood days. On April 20, 1871 she was married to Arthur Johnson of Jersey City, N. J. For many years they resided at Pittsburg, Pa., until coming to Sierra Madre a few years ago.

As a loving wife and mother and a true and devoted Christian, her loss to friends and loved ones is keenly felt. They find comfort in the thought that she has passed to her reward after years of illness and suffering.

With her husband, Mrs. Johnson leaves her son, Arthur Johnson Jr., his wife and son. Otherwise her nearest living relative is Mrs. Geo. H. Johnson of Pittsburg, Pa.

CLUB HAS LECURE FOR OPEN SESSION

The next meeting of the Woman's Club will be on Monday evening, May 14th, and will be open to the public. The club generously giving this opportunity to everyone to enjoy one of its programs, which will be a lecture by Prof. Briois of the Orton School of Pasadena. Mrs. H. T. Fennel, chairman of books of the club, will have charge of the program.

MUST DELIVER ARMS TO CITY MARSHAL

Order Regarding Enemy Aliens Received by Marshal Steinberger

Notice prohibiting the keeping of firearms or other weapons by enemy aliens in Sierra Madre, as in all other places in the United States, has been received by Marshal Steinberger from the office of the attorney general. Under the regulation come all aliens who are citizens of countries now at war with the United States. The order as received by the marshal follows: City Marshal, Sierra Madre, Cal.

Under the Proclamation of the President, dated April 6, 1917, it is unlawful for alien enemies to have in their possession the following articles:

Any firearm, weapon, or implement of war, or component part thereof, ammunition, maxim or other silencer, bomb, or explosive, or material used in the manufacture of explosives; any aircraft or wireless apparatus, or any form of signaling device, or any form of cipher code, or any paper, document, or book written or printed in cipher or in which there may be invisible writing.

Your cooperation in enforcing this Proclamation is earnestly desired; and you are requested, if possible, to post notices or otherwise notify all alien enemies within your locality to bring to police headquarters and surrender any and all articles which it is unlawful to have in their possession. A detailed receipt should be given for all articles so surrendered, and at the close of the war such articles should be returned.

Any alien enemy who fails to surrender such articles within twenty-four hours after public notice given by you, will be subject to summary arrest if such articles shall be found in his possession; and the articles will be seized and forfeited to the use of the United States.

Respectfully,
T. W. GREGORY,
Attorney General

W. L. STUBBS PURCHASER OF IDEAL GROCERY

Mr. W. L. Stubbs, a recent arrival from Ohio, has purchased the Ideal Grocery from W. H. Bissell, taking immediate possession. Mr. and Mrs. Bissell will remain in the store long enough to assist Mr. Stubbs to become acquainted with the business, its patrons and the community in general. The rest of the store force will be retained regularly.

Mr. Stubbs who is delighted with Sierra Madre as a place of residence, has wired his wife and family who are still in Ohio, to come at once with the expectation of making their permanent home here.

MARY PICKFORD IN "MADAME BUTTERFLY"

An especially attractive film will be shown at the club house on Saturday night. Almost everyone is familiar with the story of "Madame Butterfly," and charming Mary Pickford will be featured in this film, which ran for several weeks in Los Angeles quite recently. Miss Gladys Krafft will play some of the music from "Madame Butterfly" making the film more interesting.

Mrs. L. E. Jewitt and a party of friends from Los Angeles motored to Sierra Madre on Sunday and spent the day at Mrs. Jewitt's cottage on Scenic Point.

NATURAL GAS TO BE HERE NEXT WEEK

Natural gas will be served to Sierra Madre housewives for next Sunday morning's breakfast.

The long expected improvement which will cost the Southern Counties Gas Company about \$40,000, will be completed tomorrow, when the few remaining feet of main will be laid between Montebello and Savannah station. From there the main is now connected with Sierra Madre, Monrovia and Arcadia lines, and as the artificial product is forced out the natural gas will come in. By Saturday, or Sunday at the latest, every foot of Monrovia mains will carry natural gas.

Trouble Conquered

Considerably more than usual difficulties have been encountered by the construction department of the gas company in laying the Whittier-Savannah line. In the first place it has been nearly impossible to get pipe for the 4-inch high pressure system. Delays at the shops in the east were multiplied, and delays in transportation added to the general depression. Lastly the mysterious disappearance of Mexicans from Southern California affected the gas company, for a large part of the main-laying gang was composed of Mexican laborers, who suddenly quit work and went nobody knows where.

But all difficulties are now at an end, and the natural gas is nearly here.

Cheaper Gas and Better

The new gas analyses 1200 British thermal units to the cubic foot, as against 570 for the artificial product. According to this, and the tests are proved by actual results, gas bills should be more than cut in two under the new plan, as the natural gas is more than twice as powerful in producing heat as the present gas.

J. E. Jones, district agent, said today that Sierra Madre patrons of the gas company must be educated to the use of natural gas, but that after they are accustomed to handling it they will like it very well.

Readjust Stove Burners

In order to get the greatest heating efficiency from natural gas, stove burners must be especially adjusted. Early next week, as soon as the natural gas is flowing through local mains, a gang of twenty or thirty gas adjusters will make a house to house canvass and adjust all stoves so that they will work properly.

THOMPSON HOME PLACE IS SOLD

A. J. Snell, cashier of the First National Bank of El Monte has purchased fifteen acres, including the residence, of the Villa Pilar ranch owned by L. R. Thompson at the corner of Canyon and Central Avenues. Mr. Snell and his family will move to Sierra Madre and make their home here.

Mr. Thompson retains the portion of the property on which the Sierra Madre Clarified Dairy is located. He will continue to operate the dairy as before. For the present Mr. Thompson and his family will occupy the residence which they own at Michillinda but will return to Sierra Madre as soon as they can make satisfactory arrangements.

PETITION FOR ENFORCEMENT OF LAW WINS

Enforcement of all the burro restrictive ordinances, introduction of a traffic ordinance, adoption of an official grade ordinance for the portion of Alegria Ave., between Baldwin and Auburn, and a decision to convert the building formerly used as a "helping station" on Windsor Lane into a house for the fire apparatus were the chief items of business done at last night's meeting of the city trustees.

This time the burro question was brought up by the "antis." Attorney Moote presented a petition signed by about 450 people asking that the ordinances be enforced as they are now on the books. He said the signers included a majority of the voters as well as a large number of non-resident property owners, and that a large majority of the sub-divided property was represented thereon.

Misrepresentation Charged

John Boyd said he had been informed that many of the signatures had been secured thru misrepresentation of conditions and the effects of the granting of the petition. W. W. Collins said he had secured 70 of the signatures without telling anything but the truth and resented any implication that he had done otherwise.

Waldo Ward said when the petition was presented to him he signed it gladly and without any pressure being necessary. When he came to Sierra Madre the burro corrals were all at the foot of the mountains and he bought further down the hill. Then the corrals were brought down by his property. Continuance there would damage him many thousands of dollars. He signed the petition as he believed other people had, with the expectation that enforcement of the ordinances would afford relief.

Mr. Boyd asked Mr. Ward: "Do you realize that the granting of the petition would prevent me from moving my corral from my present location?" Mr. Ward said he was not aware of that.

Delay is Asked

Mr. Boyd asked that action on the petition be delayed until the next meeting to give him opportunity to investigate the reports of misrepresentation in securing signatures.

Dr. W. H. Smith asked by what right an ordinance duly passed and placed on the statute books was held in abeyance. He said he believed it was the duty of the board to enforce whatever ordinances were on the books without favor or distinction.

Chairman Dietz said he believed the time had come for action. The burro question had been a source of trouble and nothing else for years. Of the dozen or fourteen trustees who had served since the question was first raised all but one had voted for these ordinances, not counting Mr. Beard who had refrained from voting because he was in the business. The time of the board meetings had been repeatedly wasted and the members had even been "invited out in the alley to settle the question." He urged immediate action.

On motion of Trustee Caskey, seconded by Trustee Evans, strict enforcement of the three ordinances was ordered by unan-

RED CROSS ROOMS OPEN EVERY DAY

Membership Still Grows and Work is Carried on More Actively

Twelve new names have been enrolled on the list for annual membership of the local chapter the past week as follows:

Mr. J. G. Blumer, Donald Tarr, Miss Muriel Tarr, Danson Tarr, Mrs. Andrew Olsen, Miss Esther Olsen, Dr. John M. Lee, Mrs. E. W. Newton, Mrs. Walter H. Ingraham, Mrs. Ralph A. Hopkins, Frank Inman Kane, Mrs. John Boyd and "a friend" making a total of 280.

Two new names are also added to the volunteer class, Mrs. Jessica Wright and Mrs. E. W. Newton which brings this list up to 29. This still leaves 21 to come in to promise to pay \$1 a Month for a year.

Owing to the unusual demand necessitated by the activities of the war requirements placed upon the Red Cross, arrangements have been made to keep the Red Cross rooms open daily from 2:30 to 5:30 P. M., each day beginning Monday next. Some person will always be on hand to receive and give out work.

The tea room committee will defray the expenses for this work from the receipts of the tea room where tea as usual will be served every Tuesday afternoon.

The officers of the local chapter have learned with regret that some persons have circulated a report throughout the city that the Red Cross was entering in political and other activities pertaining to some local issues before the public. It is only fair to state that in spite of such reports the Red Cross disdains any such actions and does not enter into anything of such a nature but only does the work placed upon them by the American National Chapter in the specific field of labor for which it exists.

imous vote, Trustee Nourse being absent. A resolution was adopted rescinding a previous motion directing the city attorney to stay prosecutions.

Water and Gardens

G. L. Kelley made a proposal to the board on behalf of the directors of the Board of Trade regarding the furnishing of water for gardening on lots now vacant. Chairman Dietz who had attended a food conservation conference called by Chairman Hamilton of the county Supervisors, said the water board had the same subject under advisement and that the possibilities would be fully considered.

Traffic Ordinance

Attorney Montgomery introduced a traffic ordinance, Sierra Madre being about the only town in the county which has none. It limits the speed of vehicles at street intersections, requires them to keep to the right of intersection centers when making a turn, and prohibits stopping with the left hand side of a machine next to the curb.

To City's Lot

Mr. Kersting having asked that in future rent be paid for the ground on which the fire apparatus shed has stood for several years, the board decided to remove the apparatus to the city lot at the corner of Central and Windsor Lane. For this purpose, the partitions will be removed from the building formerly used as a "helping station" and the apparatus will be housed there.

CHILDREN WILL RULE FESTIVAL

The coming Spring Festival which will be held next Friday and Saturday, May 4 and 5th under the auspices of the Woman's Club promises to be most entertaining for both young and old. The most interesting feature will be the Maypole dance which will take place at the school grounds.

This is the first time in the history of the school that there has ever been a Maypole, and the idea was suggested by Miss Yerde Appleby, one of the teachers. She is rehearsing the children in the Maypole dance having had experience in handling as many as six hundred children at the Normal school in a Maypole dance that was given there. She will introduce a few original steps. Mrs. T. H. Flather will accompany on the piano, playing the "Triumphal March" from Aida.

Another thing that makes it interesting is the fact that the boys who are taking sloyd gave the finishing touches to the Maypole as one of their lessons in sloyd. Every man, woman and child is most cordially invited to attend.

The program for the festival is as follows:

Friday afternoon—Baby show from three to five. Admission ten cents. Home made cakes will be on sale. Committee: Mrs. Lenita LeVeaux, chairman, and Mrs. W. S. Hull.

Friday evening—Entertainment by school children at 8 P. M. Committee: School teachers assisted by Mrs. H. I. Hawxhurst.

Saturday afternoon, at three P. M., at the school grounds—Maypole dance, under the direction of Miss Yerde Appleby, and a little play by the kindergarten children under the supervision of their teachers. Afterwards the children will march to the club house to be entertained by the board of directors of the club. Mrs. T. H. Flather will furnish music for dancing.

Saturday evening—The Spring Festival Ball. Dancing from eight to twelve. Fletcher orchestra. Dance Committee: Mrs. H. I. Hawxhurst and Mrs. W. H. Ingraham. It is expected the dance will be largely attended.

Decorating committee: Mrs. W. E. Walker, chairman; Mrs. F. J. Sokol, Mrs. C. W. Jones and Mr. and Mrs. F. P. Conard.

Mrs. Walker requests that those who are willing to assist in decorating should be at the club house on Thursday afternoon on May 3rd. The color scheme is to be pink and white with greenery, and any one who has flowers or greenery that can be used will please bring same to the club house or notify Mrs. Walker who will send for them. Any one who is willing to decorate a hanging basket with these colors are urged to do so. Baskets can be obtained at the club house or by applying to Mrs. Walker. They will be used to decorate the auditorium.

THE EPISCOPAL CHURCH

Church of the Ascension, the Rev. Dr. Geo. H. Cornell, Rector. Vested choir, third Sunday after Easter. Sunday School 9:45 A. M. Morning prayer and sermon 11 A. M. Annual meeting of the parish, Tuesday, May 1st, at 8 P. M. Lecture on Confirmation Sunday at 5 P. M. All are cordially invited.

PERSONAL MENTION

Mr. Frank Spooner of San Francisco was the guest of Mr. and Mrs. Ralph Hopkins on Monday.

R. W. Broughton of El Centro returned to Sierra Madre last week and has taken a cottage on West Montecito.

The Ancient Pricillas were entertained very delightfully at the home of Mrs. George Humphries on Tuesday.

Mr. and Mrs. George Wilson of South Pasadena were the guests of Mr. and Mrs. W. P. Caley last Saturday.

Mr. and Mrs. Ralph Hopkins, Mr. and Mrs. Halloway of Coronado and Mr. and Mrs. R. G. Berle of Los Angeles motored to Riverside last Friday and spent the week end at the Glenwood Mission Inn.

Mrs. F. H. Hartman entertained the members of the Eleven and One Club and a number of friends at her home on East Central Tuesday evening honoring Miss Mildred Powell and Myrtie Preston. Pink roses were used as decorations. About fifteen guests were present.

On Wednesday morning Prof. and Mrs. E. T. Pierce received a farewell call from Mr. George Zaharakis, a member of Mr. Pierce's citizenship class of last year. Mr. Zaharakis has enlisted in the U. S. Navy as a skilled boiler mechanic and was on his way to be mustered in.

Miss Mary E. Fay left on Wednesday for Wisconsin to be gone indefinitely.

Mrs. Elizabeth Morgridge and son, W. O. Morgridge, visited relatives in Claremont and Pomona this week.

S. S. Casad had as visitors this week Mr. and Mrs. Swallow and Mrs. Burnette who motored over from Covina for a day.

Dr. and Mrs. R. H. Mackerras motored to Coronado last week where the Doctor attended the convention of the California Medical Association.

The young man is of pure Grecian stock, being a native of the island of Marmora, and is a man of exceptionally fine character. He had often said to Mr. Pierce that, in event of war, he should offer himself to his adopted country, and he has nobly kept his word.

The Ladies' Aid Society of the Congregational Church will hold an all day meeting at the church next Tuesday. All are requested to bring a lunch with the exception of desert which will be served by the hostesses. A large attendance is desired as the day will be spent sewing for the Bazaar.

The Misses Ward entertained with a delightful miscellaneous shower last Saturday at their home on W. Grand View complimentary to Miss Helen Janson whose marriage to Mr. Burdette Nelligan of Riverside will take place early in May. Masses of red roses were used effectively in decorating the rooms and the evening was spent with games and music. The guests included the members of the T. C. B. and Eleven and One Clubs.

Mr. and Mrs. H. W. Timm of N. Auburn Ave., have removed to Los Angeles.

Mr. and Mrs. E. B. Burroughes of Auburn Ave., leave on Saturday to make their home in Pasadena.

Miss Clara Larjar attended the W. C. T. U., convention at Whittier from the 25th to the 27th of April.

Mrs. G. Hallett Johnson and children of Los Angeles spent the week end at the home of Mrs. W. H. Ingraham.

Mr. and Mrs. Clinton Nourse left on Sunday for their new ranch at Arvin near Bakersfield to spend several weeks.

Mr. and Mrs. E. B. Washburne and family of Los Angeles spent Sunday at their ranch and palm nursery on E. Central.

Mr. and Mrs. John Tarr and family of Huntington Park are occupying the house at the corner of Hermosa and Montecito, Mr. Tarr being a brother of N. W. Tarr.

Mr. and Mrs. A. L. Jameson and family of Los Angeles who recently purchased the Ingraham property have been making improvements and expect to move in next Monday.

During the absence of Miss Annie M. Greene at Riverside and Redlands, Miss Mary E. Hunt of Los Angeles entertained her friend, Mrs. Harriet Calhoun of Portland in Miss Greene's cottage.

Mrs. Wm. Robinson and son Wolcott, Mrs. Horner and S.R.G. Twycross motored to Riverside, Redlands and Smiley Heights on Tuesday, stopping at the Glenwood Mission Inn for dinner and inspection of the Inn.

Mrs. Harriet W. Myers of Highland Park, well known to a number of Sierra Madre people, spent Wednesday with a party of bird lovers from Highland Park studying bird life along the Mt. Wilson Trail as far as the Half-way house.

Mrs. Tully and son, Argyle Tully, and Mrs. M. Guthrie attended the Mission Play this week. They were joined by Miss Anne Tully of Los Angeles. Mrs. Tully is expecting a visit soon from her son, Richard Walton Tully, the playwright, with his wife and infant son.

CARD OF THANKS

To our many kind and loving friends we desire to express our deepest appreciation for their words of sympathy and beautiful floral tributes, during the illness and death of our beloved wife and mother.

Resolution No. 78

Resolution Ordering the Work

RESOLVED, that the public interest and convenience require that the work herein described and the Board of Trustees of the City of Sierra Madre hereby orders the following street work to be done according to the plans and specifications adopted by said Board of Trustees on February 26, A.D., 1917, to-wit:

SECTION 1. That Alegria Avenue from the easterly line of Sierra Madre Avenue to the westerly line or Sunnyside Avenue in the City of Sierra Madre be graded to the official grade and the roadway thereof oiled according to specifications No. 21, specifications for grading and oiling streets in the City of Sierra Madre, and on file with the City Clerk of said City.

SECTION 2. That cement curbs be constructed along the northerly and southerly curb lines of said Alegria Avenue from the easterly line of Sierra Madre Avenue a distance of five hundred and ninety feet more or less easterly of said easterly line of Sierra Madre Avenue, curving around the northeast corner and the southeast corner of the intersection of Alegria Avenue and Sierra Madre Avenue to the north and south property lines produced respectively on Alegria Avenue, said curbs to be constructed according to specifications No. 2 for cement curbs and on file in the office of the City Clerk of the City of Sierra Madre.

SECTION 3. That a cement gutter 30 inches wide be constructed along the northerly curb line of said Alegria Avenue from the east line of Sierra Madre Avenue to a point 590 feet more or less easterly of the east line of said Sierra Madre Avenue, and that a cement gutter 18 inches wide be constructed along the southerly curb line of Alegria Avenue from the east line of Sierra Madre Avenue to a point 590 feet more or less easterly of the east line of said Sierra Madre Avenue, said gutters to be installed in accordance with specifications No. 8 for the construction of cement gutters and on file in the office of the City Clerk of said City.

SECTION 4. That a re-inforced concrete Culvert No. 35 be constructed across the termination of Alegria Avenue in Sierra Madre Avenue from the north curb return to the south curb return thereof.

That a re-inforced concrete Culvert No. 36 with end walls and inlets be constructed across Alegria Avenue at a distance 580 feet more or less east of the east line of Sierra Madre Avenue, said concrete culverts to be installed in accordance with specifications No. 12 for the construction of Concrete cross-boxes on file with the City Clerk of said City.

SECTION 5. All of the herein proposed work shall be done in pursuance of an act of the Legislature of the state of California, entitled "An act

to provide for work upon streets, lanes, alleys, courts, places and sidewalks, and for the construction of sewers within municipalities," approved March 18, 1885, and the several acts amendatory thereof or supplementary thereto; also in accordance with the profiles, plans and cross-sections of Alegria Avenue from Sierra Madre Avenue to Sunnyside Avenue adopted by the Board of Trustees of the City of Sierra Madre the 26th day of February, 1917.

SECTION 6. It is hereby determined, in pursuance of an act of the Legislature of the state of California entitled, "An act to provide a system of street improvement bonds to represent certain assessments for the cost of street work and improvement within municipalities, and also for the payment of such bonds," approved February 27, 1893, as thereafter amended, that bonds shall be issued to represent the cost of said improvement. Said bonds shall be serial, extending over a period of ten years, an even proportion of the principal sum of which shall be payable annually, on the second day of January of each year till the whole are paid, and to bear interest at the rate of six per cent per annum, payable semi-annually, by coupon, on the second day of January and July respectively, of each and every year.

The clerk of the Board of Trustees is hereby directed to publish this resolution for two successive insertions in the Sierra Madre News, a weekly newspaper published and circulated in said City of Sierra Madre, and which is hereby designated for that purpose. He is also directed to post conspicuously for five (5) days near the chamber door of the board of trustees, notice of said work with plans and specifications inviting sealed proposals or bids for doing the work ordered and to publish for two successive insertions, the notice of said work inviting sealed proposals or bids for doing the work and referring to plans and specifications posted and on file, the said publication to be in the said Sierra Madre News, a weekly newspaper hereby designated for that purpose. Both of said notices shall require a certified check or bond either as prescribed by law and for an amount not less than ten (10%) per cent of the aggregate of the proposal. The 24th day of May, 1917, is hereby designated and fixed as the day on which up to the hour of 5 o'clock P. M., the said proposals or petition shall be received, and the said notices shall so specify.

THE FOREGOING RESOLUTION was adopted at a regular meeting of the Board of Trustees of the City of Sierra Madre held on the 12th day of April, 1917, by a unanimous vote of the members of the Board of Trustees, to-wit:

Aves: Caskey, Evans, Nourse, Sperry and Dietz.
Noes: None.
Absent: None.

Signed and approved this 12th day of April, 1917.

L. DIETZ,
President of the Board of Trustees.
Attest: GREER CASKEY,
City Clerk Pro Tem.

[SEAL]

CALIFORNIA POPULATION APPROXIMATELY 3,000,000

Estimates Are Made by Various
Systems of Figuring
Census Data

State Controller John S. Chambers in his report as to the financial transactions of the cities and counties of the State for 1916 places the population of California at 3,000,000. Based upon the number of registered voters in 1915, the figure would have been 2,854,000; and on this basis there should now be 2,956,430.

According to the system employed by the United States Census Bureau, the estimated population of California in 1915 was 2,803,805. Based upon the school census system, the population is 3,004,000.

Taking into consideration these various systems, it seems safe to say that 3,000,000 is approximately correct.

The cities and towns of the State are claiming for 1916 a population of 2,508,719. If these claims are correct, it would only leave us a rural population of 447,711, on the basis employed by the United States Census Bureau. Our rural population should be about 850,000. It may be that in their zeal to show growth, the cities are claiming, all told, an excess population of about 400,000.

CLUB NOMINATIONS TO BE ANNOUNCED

The meeting Monday last, in charge of Mrs. W. S. Andrews, chairman of Philanthropy was a most enjoyable occasion. It being an open session just the necessary business was transacted which was the nominating of officers for the coming club year.

Nominations were made from the floor, and a nomination committee was appointed which consists of Mrs. T. H. Flather, chairman; Mrs. F. H. Hartman and Mrs. W. B. Crisp. As soon as they have determined which of the nominees will run, a list will be published for the benefit of the club members.

The program consisted of reports from twelve organizations for women in this city, and it was surprising to hear of all the good that is being accomplished. Mrs. James N. Hawks sang two very pleasing selections, after which everyone joined in singing "America" and adjourned to the dining room for refreshments.

NATURAL GAS ARRIVES

The management of the Southern Counties Gas Company takes pleasure in announcing the arrival in Sierra Madre and in the entire district of a superior and more economical fuel, Natural Gas. The exact date of the inauguration of the new product we are unable to announce today but it will be on one of the following days—April 28, 29 or 30th.

Several months ago the company, in accordance with its policy of bettering the service in every possible way, began the work of laying a four-inch high pressure transmission line, joining the Sierra Madre system with the productive Coyote Hills Oil fields. Because of the unprecedented condition of eastern manufacturing, our materials were delayed and it was with the greatest effort that the Company finally secured a sufficient amount of transmission main to continue with the Sierra Madre improvement.

Our new four-inch main is now practically completed. It extends from Whittier to Montebello and thence follows the San Gabriel Boulevard to Savannah, where it joins the Sierra Madre and Monrovia distributing system. The connection at Savannah will be made in a day or so and Natural Gas will immediately replace the artificial product in the local mains.

The Natural Gas which will be distributed here is one of the finest domestic fuels on the market. It tests 1200 British Thermal Units whereas the artificial fuel tests but 570 heat units. In other words the Natural Gas possesses more than double the heating value of the present gas. Greater heating value in gas means a decrease in gas consumption. It will require about one-half the amount of Natural Gas testing 1200 heat units to accomplish the same amount of work of artificial gas testing 570 heat units, thereby cutting down the consumption to all local consumers.

This remarkable drop in consumption means a decrease in local gas bills. Because of the greater heating value of Natural Gas the Sierra Madre district bills will show a reduction of more than 40 per cent.

To properly burn Natural Gas, the burners in this district accordingly will be readjusted by the Gas Company. Following the inauguration of the new fuel there will be a period of several days when the burners, accustomed to burning artificial gas of 570 B.T.U.'s will not burn the new fuel perfectly. The Company, to meet this situation, will send a corps of expert gas appliance men to this district, and every consumer will be visited for the purpose of making a proper readjustment of all burners.

During the period of readjustment when the Natural is replacing the artificial product in the local mains, when the stoves and burners are not working as efficiently as formerly, the management asks its local patrons to co-operate with the Company as fully as possible. Should the new fuel cause the flame in your burners to flame too highly and give out too much heat, by turning the gas down it will be found that the fuel will give better results. When the appliances in your home do not burn properly do not hesitate to call the local office for information. The Company will send out its appliance readjusters as soon as possible and everything will be done to make a rapid readjustment.

To bring Natural Gas to the Sierra Madre District the Southern Counties Gas Company has expended \$40,000, and has had many difficulties to overcome because of a shortage of materials and because of unsettled labor conditions. The new fuel will give far more satisfactory results, will mean a remarkable reduction in local gas bills and will mark another step forward in the advancement of the Sierra Madre District.

The Southern Counties Gas Company will appreciate the co-operation of its patrons at this time and will endeavor to make the change from artificial to the superior and more economical Natural Gas with as little inconvenience to its consumers as is possible.

FERDINAND R. BAIN, President

BIRTHDAY SURPRISE FOR H. I. HAWXHURST

On Thursday night Mr. H. I. Hawxhurst was given a pleasant surprise party by a number of his friends, the event being his birthday anniversary. Music and novel games occupied the evening, a feature of which was the hat trimming contest for the men who produced some very surprising results. Prizes made by Miss Doreen Burton and Miss Lottie Humphries were won by Miss Minnie Gardner, Wade Brunson and Groff Brown. Mr. Krafft speaking for the bunch, presented Mr. Hawxhurst with a beautiful auto robe, as a token of esteem from his friends. Refreshments of salad, coffee and a large birthday cake were served by the hostess. Those present were the Misses Doreen Burton of Ocean Park, Lottie Humphries, Bertha Carson, Minnie Gardner, Helen Williams, Yorda Appleby, Gladys and Elsa Krafft, Mr. and Mrs. Krafft, Mrs. Ingraham; Messrs. Herbert Ingraham, Phil Carter, Wade Brunson, Gale Williams, Groff Brown, Victor Hill, Norman Olsen and Fred Blumer of New York.

CALL IS ACCEPTED BY REV. WILSON

Rev. Chas. C. Wilson of Darlington, Wisconsin has accepted the call of the Congregational Church to be its pastor and hopes to be here early in June. The lateness of coming is due to the fact that he had made some engagements for High School Commencement addresses the latter part of May and first of June before he received the call.

Mr. Geo. Humphries returned Tuesday from Oceanside where he had been spending several days as the guest of Mr. Herbert Crouch.

The NEWS - Job Printing

TROUT SEASON OPENS TUESDAY

Local anglers have been getting out their tackle and putting it in shape for the opening of the trout season next Tuesday, May 1. About Saturday the trails will be thick with the anglers from all over Southern California on their merry way to the mountains for the week end so as to pick the choice locations for early casts Tuesday.

Conditions are said to be excellent along the principal trout streams, with an unusual supply of good sized fish. If the present cloudy weather clears up in a day or two conditions will be almost ideal for a pleasant outing.

Many of the local men will make their first cast of the season in the Big Santa Anita and the West Fork. Some who have autos or motoring friends will go to the lakes or to the more remote streams of Ventura Co.

SCHOOL CHILDREN TO CLIMB MT. WILSON

Plans have been made to accommodate 1000 Los Angeles school children in a climb up Mount Wilson trail Saturday, under the leadership of Dr. C. L. Edwards, director of nature study, who will instruct the children on the trip. Special trains will leave the Pacific Electric station between 7 and 9.

Would you like a fine 8x10 portrait of yourself or some of your family without a cent of cost to you? Watch the News next week for announcement of an offer which will be worth real dollars.

EDITORIAL CHAT

SELECTIVE

Efficiency of selective conscription will depend upon the interpretation of "selective." To avoid failure from the economic standpoint it will pass up young men engaged in useful, productive occupation, and take, for example, the young fellows who never did any harder work than clipping coupons in their lives.

No man, moreover, has a right to urge conscription of men who is not willing to have conscription of wealth.

CONSIDERATE

The world never saw such kindly consideration as has been developed by the proposition to hold a baby show in Sierra Madre. Every mother with an infant within the age limit has hesitated about entering her own darling for fear its very apparent superiority might make the other mothers feel badly. Only the announcement that there would be no prizes to make the losers feel badly saved the show from being minus babies by reason of that kindly consideration. If you want to see the finest crop that Sierra Madre ever raised, just go and see—ours and the rest.

TAKING IT OUT ON COMMUTERS

Inspection of the proposed billboard restrictive ordi-nance in Los Angeles seems to reveal a policy of concentra-tion which will confine the big blots to a few principal thoroughfares, including those along which the most com-muters travel to and from Los Angeles.

BERLIN PAPERS PLEASE COPY:

According to Dryden, the Bible, or Shakespeare, it is well to "beware the wrath of a patient man."

THEIR OWN DEATH KNELL

Mr. Busse, formerly an official of the wine trust, says "the vinticulturists are well pleased with the manner in which the legislature has handled all liquor measures." So are the saloon men, the distillers and all the dives in which booze of every kind is sold. And by their very failure to make good in pre-election promises to reform the worst features of the business, the liquor men will face the al-most certain adoption of the first absolute prohibition law that is submitted to the voters of the state.

SUBSTITUTION

Since the legislature has failed to restrict or regulate the saloons where drunkards are produced, the taxpayers of the state may have to be satisfied with the spending of a quarter of a million on an "inebriates' hospital."

JUST BECAUSE

Some of the California legislators reasoned out the question of allowing women to serve on juries about like this: Women should not serve as jurors because they are not so intelligent as men. How is it proven that women are not so intelligent as men? Because the law does not permit them to serve on juries!

Fortunately the salons of that stamp were not in the majority.

DANIELS WINS NATION'S RESPECT

Bakersfield Californian—More and more the people of the nation are coming to have a wholesome respect, a genu-ine admiration for Secretary of the Navy Daniels, and that respect and admiration are based upon the fact that the secretary is giving real service. Never before since the close of the Civil War was the navy so well prepared for what the future holds as now. Never was the machinery of that arm of the government running so smoothly, with so little friction. Never was there a higher morale among officers and men; and all these things are directly attrib-uted to the head of the department, to his clear vision and his indefatigable efforts to bring about efficiency, to make the navy what the nation expects it to be.

Even those hostile newspapers that were wont to sneer and gibe at the secretary have ceased their abuse and the more candid among them are now according the secre-tary some measure of praise. The petty brigade of whis-pering officers, peeved at being deprived of their liquor, and disgruntled because the secretary was American enough to insist that the marines be treated as his countrymen deserve to be, have been silenced. The big interests that once had a free hand in the business of supplies and con-tracts with the government have stopped their caviling, and the press that represents them has been forced by public sentiment into silence. The nation is beginning to realize that here is a man, occupying a man's place, giving his country such service in the navy as it has not had in a generation.

RECORD TO BE PROUD OF

The News has not had much to say during the session of the legislature in the way of advice on the liquor question to our representatives. The reason was a feeling of confidence which has been fully justified. Both Senator Gates and Assemblyman Wright have voted right every time.

"TARA GWIN" UNFERMENTED TABLE WINE

The greatest non-alcoholic reconstructive stimulant, blood-maker and tissue-builder. The brain and nerve food for the young and old. TARA GWIN is recommended by many leading physicians, and is used in conjunction with the St. Luke's system of treatment for tuber-culosis, for which the discoverer received the thanks of the late King Edward VII. TARA GWIN gives greater power of resistance against disease and the effects of old age than any known tonic, and greatly increases the power of physical endurance. It is the stimulant for delicate young people, for men and women in middle life, and for all who wish to preserve health and vigor and beauty of youth. TARA GWIN is indispensable to athletes, tourists, and is the most valuable item in the camping kit.

Order from your grocer, druggist or wine merchant, or direct from the American agents, the NATIONAL NON-ALCOHOLIC WINES, LTD. California branch office: Mount Tara Springs, Sierra Madre.
